# Report of Librarian

Greater use than ever was made of Moultonboro Library during 1959 by both permanent and summer residents. This is reflected in the phenomenal increase in the circulation of books for the year. All classes of books were represented in the total increase but the big jump came through the new Children's Branch opened at Moultonboro Central School in March, where a circulation of 4042 volumes was reached in less than 8 months.

Altho numerous additions of both fiction and non-fiction works were added to the library's own permanent collection, extensive use was also made of the State Library which supplied, on loan, many volumes in all categories.

Residency is not required to borrow books from the library, centrally located next to the new fire house and everyone is encouraged to make use of the fine facilities afforded there.

# Forest Fire Warden's Report

---

## PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note. 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fire would radically change this picture.

The rules are simple—

1. Before burning, secure a permit from your local fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

# Minutes of 1959 District Meeting

MOULTONBORO, NEW HAMPSHIRE

March 10, 1959

---

The School District Meeting was called to order by the Moderator, Clyde B. Foss, on Tuesday, March 10, 1959 at two o'clock in the afternoon at the Moultonboro Central School Auditorium.

1. The Moderator read the warrant and the voting by ballot for the election of School District officers began.

2. On Article 2, "to determine and appoint the salaries of the School Board and Truant Officers, and fix the compensation of any other officers or agents of the district," a motion was made that this should remain the same as printed in the budget. The motion was voted on in the affirmative.

3. Under the article pertaining to the reports of Agents, Auditors, Committees, or Officers chosen, Stewart Lamprey reported for the group that had been making a study of a Cooperative School District. On his recommendation, it was voted that the committee be continued for another year. Mrs. Helvi Ratsep gave the report of the Building Committee.

4. On this Article, "To see if the District will authorize the School Board to enter into a yearly contract with the Inter-Lakes School District, in accordance with Chapter 194, Section 22, New Hampshire School Laws", the following action took place. After a great deal of discussion, the article was voted on with the following amendment: "and add the following words: that the School Board be instructed regarding school transportation and the designating of high schools and that the school district lay out what routes it deems necessary; and the school district designate a high school to which transportation will be reimbursed as — the per capita cost of transportation to the designated high school. Tuition will be paid to the school attended as per agreement by the school district." Voted by a vote of hands to accept this article with the amendments as read.

5. Under Article 5, it was voted to change the figure for transportation in the budget from \$18,500.00 to \$13,500.00, making the total budget \$93,877.25

6. Article 6, requested by the Moultonboro Development Association, to see if the district would vote to raise the sum of \$2,000.00 for the building of a playground at the rear of the Moultonboro Central School, was voted in the affirmative.

7. Article 7, as read from the warrant, was voted on in the affirmative.

8. Article 8 was passed and no new committees formed.

9. At the suggestion of Mr. Harold Martin, a standing vote of thanks was given to Mrs. Helvi Ratsep and Mr. Leonard Plaisted in appreciation of their fine work for the district.

A discussion followed on the advisability of holding an evening school meeting next year. On a show of hands, 27 to 19, it was voted in the negative and agreed that the time of meeting should still be left to the discretion of the School Board.

## Report of School Nurse

---

Free vitamin pills were given to the school children supplied by the Grange, P.T.A., Red Cross and Dr. Ratsep.

Routine heights and weights were checked in the spring and fall.

Annual vision tests were done and the questionable ones rechecked. A notice was then sent home suggesting further examination by their family eye doctor.

121 children were examined by the school physician, Dr. Aleksander Ratsep. Parents were notified of all recommendations to correct any defects found.

Some children received their unfinished series of polio shots at the clinic in May.

Much welfare and social work and individual inspections were carried on throughout the year whenever necessary.

Communicable diseases were few with several cases of chicken pox reported. There were the usual absenteeism from school due to many colds and flu.

A few children were referred and transported to the Orthopedic Clinic in Wolfeboro and the Guidance Clinic in Laconia.

The pre-school visiting day was held in May with ten children attending. Mrs. Madeline Given, dental hygienist, was with us again this year showing the children necessary care of the teeth. The school nurse checked the heights, weights and vision then recorded information for the school health record.

Some hearing has been checked but our present machine which is shared with Ashland, Meredith, Center Harbor, Sandwich and Holderness is being reconditioned, therefore most of the hearing tests of the school children have not been done.

The cooperation of the superintendent, members of the School Board, teachers and parents of the community has been very much appreciated.

Respectfully submitted,

AMY L. BROWN, R. N.  
School Nurse-Teacher

# Report of Superintendent of Schools

---

To the School Board and Citizens of Moultonboro:

I respectfully submit my fifth annual report as your Superintendent of Schools.

As the American educational system has rapidly evolved, its goals have been variously defined as preparation for higher study, preparation for vocational endeavors, and preparation for life. At present, its whole philosophy can be summed up in two main concepts: the development of the individual to his optimum and the fostering of qualities needed for constructive citizenship.

These two basic concepts are really interlocking facets of the same fundamental attitude toward education, for only as each individual is helped to reach his potential can he be expected to make a vital and meaningful contribution as a member of the community. The democratic aspect of our educational system must not be thought of as a great leveling device which seeks to give each student exactly "equal" training, but rather a means of guaranteeing that each student be given the opportunity and the assistance to reach his own maximum fulfillment. Since pupils differ, this fulfillment will not only differ in kind but it will also be achieved through varying means.

## Supervision and Instruction

As superintendent, I feel our teaching staff is doing a commendable job in adjusting the program to the capacity and capability of the individual child, by stimulating the bright and alert pupils to do more, the average pupil to do his best, and recognizing the pupils who are less able than others. Each boy and girl is entitled to an education within his ability, and where this is made possible, we are bound to progress.

Supervisory Union #2 includes the school district of Ashland, Holderness, Inter-Lakes (Center Harbor-Meredith), Moultonboro and Sandwich, and there are many times when I realize that without the loyal support and efforts of the building principals and staff, that many of our accomplishments would not be possible.

## Staff

There was only one change in the staff this year. Mrs. Sylvester Rand, who had been a member of the staff for the past three years, accepted the position of Special Help and Remedial Teacher in the Inter-Lakes schools. We were very fortunate in securing Mrs. Frank Kaffel, a graduate of

Plymouth Teachers College, and who is doing graduate study at Boston University, to fill the vacancy. Mrs. Kaffel has six years of teaching experience in Massachusetts and New Hampshire schools.

### **Building Maintenance**

Mr. Foss is to be commended for his sincere interest in giving our children a clean and healthy atmosphere in which to work, and for protecting the district's investment in its school building and grounds.

### **Additions and Improvements**

The play area at the rear of the school was drained by the installation of a sub-surface drain pipe. This project was under the supervision of the Carroll County Soil Conservation District office.

### **Repairs and Replacements**

The foundation of the patio entrance on the new addition was repaired by installing drain pipe and tying in it with the play area drain. The cafeteria kitchen was painted and a new dishwasher and ventilation fan were installed.

### **Transportation**

Contracts with Horace Richardson, Wilmont White and Frank McIntire were renewed. Mr. McIntire and Mr. Richardson purchased larger buses to handle the increased pupil loads. The school bus drivers are to be commended for doing an outstanding job of safe and efficient transportation of our pupils.

### **School Lunch Program**

The school lunch continues to be a vital part of the whole school program under the supervision of Mrs. Martha Oliver. Mrs. Oliver replaced Mrs. George Gillooly who is operating a restaurant in town. Mrs. Ralph Dale is assisting Mrs. Oliver in preparing and serving meals for over 100 pupils daily.

### **Conclusion**

As executive officer of the School Board, and as spokesman and representative of the teaching and administrative staff, I wish to take this opportunity to express my sincere appreciation to the Moultonboro School Board, to all school personnel, and to the citizens of Moultonboro for their co-operation and support this past year.

MARTIN E. HEFFERNAN

Superintendent

## Report of Principal

---

School opened in September with 117 pupils in attendance. The breakdown by grades was as follows: Mrs. Whitehouse, grade 1 - 12; Mrs. Perkins, grade 2 - 16; Mrs. Kaffel (our new third grade teacher), grade 3 - 21; Mrs. Tilton grade 4 - 12 and grade 5 - 12; Miss Goss, grade 6 - 20; while I myself handled the 7th and 8th grades with an enrollment of 16 and 8 in these grades respectively.

Again this year we have Miss McCuen as our music supervisor, while Mrs. Maybelle Vittum continues her work with a large class of piano pupils.

We are proud of the spic and span appearance of our school building, due to the good work of Mr. Foss, our custodian; and Mrs. Oliver, with her assistant, Mrs. Dale, is doing an excellent job through our hot lunch program.

All members of our staff have taken advantage of the opportunities to secure course credits through extension or summer school sessions, and it is quite possible that by another fall some of our faculty will have received further degrees. This all indicates the desire of the staff to constantly keep up with the times and thus help to keep our school actively progressing toward the goal of an increasingly better education for our children.

As principal of the Moultonboro Central School, I wish to express my appreciation to all my co-workers in the school and in the community who have contributed to the fine record our school is making.

Respectfully submitted,

ROGER PERSON

Principal
